DECLARATION RE DEPOSIT OF BIOLOGICAL MATERIAL

I, Dr. Pnina Fishman, a citizen of Israel, residing at 9 Asher Barash,
Herzlia, do hereby declare and state as follows:

1. I am the Managing Director of MOR-Research Applications Ltd.,
assignee of the above application.
2. The hybridoma cell line of the application has been deposited in
accordance with the Budapest Treaty in the Collection Nationale de Cultures De
Microorganismes CNCM, at the Institute Pasteur, and has been given Accession
Number I-1397, as indicated on the Certificate of Deposit earlier submitted in the
application.
3. The deposited material will be irrevocably and without limitation
made available to the public upon granting of a patent on the above-captioned
application.
4. The deposited material will remain so available to the public for a
period of at least five years after the most recent request for a sample of the

deposited microorganism, for at least thirty (30) years following the date of deposit, and for at least the enforceable life of the patent, whichever of these is longer.

5. I further declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the instant patent application or any patent issuing thereon.
